What is a sin in the first place?

A sin is a word, deed, or intention by which man deliberately and voluntarily offends against the true order of things, as God's loving providence has arranged them.

To sin means more than to violate some rules about which men have agreed. Sin turns freely and deliberately against God's love and ignores him. Sin is ultimately "love of oneself even to contempt of God", and in the extreme case the sinful creature says, "I want to be like God". Just as sin burdens me with guilt, wounds me, and by its consequence ruins me, so too it poisons and damages the world in which I live. It becomes possible to recognize sin and its seriousness by drawing near to God.

Words of Pope Francis

God asks us little and gives us a lot. He asks us to open our hearts and to welcome Him and the most vulnerable of our brothers and sisters.

Sunday Funny

"We learned in Sunday School today that God uses illegal surveillance techniques."

CWL Meeting – Thursday, May 12

The week of May 6-12 is Palliative and Hospice prayer week. Our CWL will be hosting an evening of prayer for provision of good palliative care. We will begin at 7pm on Thursday, May 10, with a Communion Service with Deacon Doug officiating. Prayers and rosary will be offered for provision of good palliative care for the terminally ill and their loving caregivers. End of life care reflects on all of us when we associate with family and friends going through their end of life journey.
