How can a person be delivered from a serious sin and reunited with God?

In order to heal the break with God that is caused by a serious sin, a Catholic Christian must be reconciled with God through confession

What are vices?

Vices are negative habits that deaden and dull the conscience, incline a person to evil, and habitually prepare him for sin.

Human vices are found in connection with the capital sins of pride, avarice, envy, anger, lust, gluttony, and sloth (or acedia, spiritual boredom).

"If there were no forgiveness of sins in the Church, there would be no hope for eternal life and eternal deliverance. Let us thank God, who gave his Church such a great gift." St. Augustine

Words of Pope Francis

Holy Spirit, you who sustain the Church, come down upon us again, teach us unity, renew our hearts, and help us to love as Jesus taught us.
