Prayer in Christian Life

How did Moses pray?

From Moses we learn that “praying” means “speaking with God”. At the burning bush God entered into a real conversation with Moses and gave him an assignment. Moses raised objections and asked questions. Finally God revealed to him his holy name. Just as Moses then came to trust God and enlisted whole-heartedly in his service, so we too should pray and thus go to God's school.

The bible mentions Moses' name 767 times—so central is he as the liberator and lawgiver of the people of Israel. At the same time Moses was also a great intercessor for his people. In prayer he received his commission; from prayer he drew his strength. Moses had an intimate, personal relationship with God: “The Lord used to speak Moses face to face, as a man speaks to his friend” (Ex.33:11a). Before Moses acted or instructed the people, he withdrew to the mountain to pray. Thus he is the original example of contemplative prayer.

Words of Pope Francis

I encourage everyone to engage in constructive forms of communication that reject prejudice towards others and foster hope and trust today.
