### From the Pastor Desk

#### How did Jesus learn to pray?

Jesus learned to pray in his family and in the synagogue. Yet Jesus broke through the boundaries of traditional prayer.

His prayer demonstrates a union with his Father in heaven that is possible only to someone who is the Son of God.

Jesus, who was God and man at the same time, grew up like other Jewish children of his time amid the rituals and prayer formulas of his people, Israel. Nevertheless, as the story of the twelve-year-old Jesus in the Temple demonstrated (Lk2:41ff), there was something in him that could not be learned: an original, profound, and unique union with God, his Father in heaven. Like all other men, Jesus hoped for another world, a hereafter. This occasion already showed that one day people would pray to Jesus, acknowledge him as God, and ask for his grace.

#### Words of Pope Francis

Sharpen your gaze in order to see the signs God shows us in reality.
