From the Pastor's Desk

What is freedom and what is it for?

Freedom is the God-given power to be able to act of one's own accord; a person who is free no longer acts under the influence of someone else.

God created us as free men and wills our freedom so that we might decide wholeheartedly in favour of the good, indeed for the greatest "good"—in other words, for God. The more we do what is good, the free we become.

Words of Pope Francis

When we are firmly united to the God who loves and sustains us, we are able to withstand all life's difficulties and challenges.

Thought for the Day

We must remember that we need God in our lives to feel whole, complete, and confident in everything we do. If you don't feel that way right now, try inviting God in to be a part of what you're trying to do!

Today!! Special Collection for Campus Ministry

Friends, this year, Bishop Miehm has decided that a special collection will be taken up for Campus Ministry on the weekend of July 14/15. During two (2) years ministering to students at Trent University and Sir Sanford Fleming College in Peterborough I have witnessed some wonderful things happening on these campuses. Two Catholic student groups, the Catholic Council of Trent and Fleming College Catholics, have grown in number and in activity; students have returned to the practice of their faith or have deepened their relationship with Jesus and the Church; our student groups have serviced young people from various regions and parishes of our Diocese. Our good efforts on campus need your financial support to continue. A collection basket on a University campus gets little attention! I am writing to ask that you please give generously to the special collection that will be taken up July 14/15. On behalf of the students whose lives will be impacted by your gift, thank you.

Rev. John Perdue

Catholic Chaplain to Trent University and Sir Sanford Fleming College
