From the Pastor's Desk

Is someone a sinner if he experiences strong passions within himself?

No, passions can be very valuable. They are designed to lead to and reinforce good actions; only when they are disordered do they passions contribute to evil.

Passions that are ordered to the good become virtues. They then become the motive force of a life of fighting for love and justice. Passions that overpower a person, rob him of his freedom and entice him to evil, we call vice.

Words of Pope Francis

I ask our Blessed Mother to intercede for the healing of the survivors of abuse and to confirm every member of our Christian family in the resolve never again to permit these situations to occur.

Thought for the Day

"Spread love everywhere you go. Let no one ever come to you without leaving happier." Saint Mother Teresa
